

Seven Oaks Classical School

The mission of Seven Oaks Classical School is to train the minds and improve the hearts of young people through a rigorous classical education in the liberal arts and sciences, with instruction in the principles of moral character and civic virtue.

Playground Initiative

We're excited to announce our goal of completing two innovative playgrounds by this Fall—one for Kindergarteners and another for 1st-8th graders. **Our aim is to raise \$125,000 to make this dream a reality.** Your contribution will not only build playgrounds but also create lasting memories for generations. Every donation, big or small, brings us closer to transforming our vision into vibrant reality, where we focus on the whole child and incorporate play into learning.

Growth

Not only is Seven Oaks growing the hearts and minds of the youth in our community, we are growing in population as well.

Seven Oaks opened in 2016 with 161 students in grades K-8. In 2020-2021, Seven Oaks became Indiana's first K-12 classical charter school and today serves nearly 520 students from 9 counties.
